Summary

(0 Registered asylum seekers during reporting period)

During the reporting period in TTC Tabanovce, there is a slightly increased number of registered migrants and UASC's compared to Second Quarter of 2021.

During August and September, migrants from India and Cuba who have entered irregularly in RNM, who were apprehended within the territory of the RNM or detained in TTC Vinojug, were afterwards transported to TTC Tabanovce. For the persons, the police issued decisions for expulsion from the country, but they were either returned to Serbia outside of a formal procedure or they were left in TTC Tabanovce.

The accommodated migrants are only a small fraction of the total number of the migrants who were apprehended in an attempt to cross state territory irregularly.

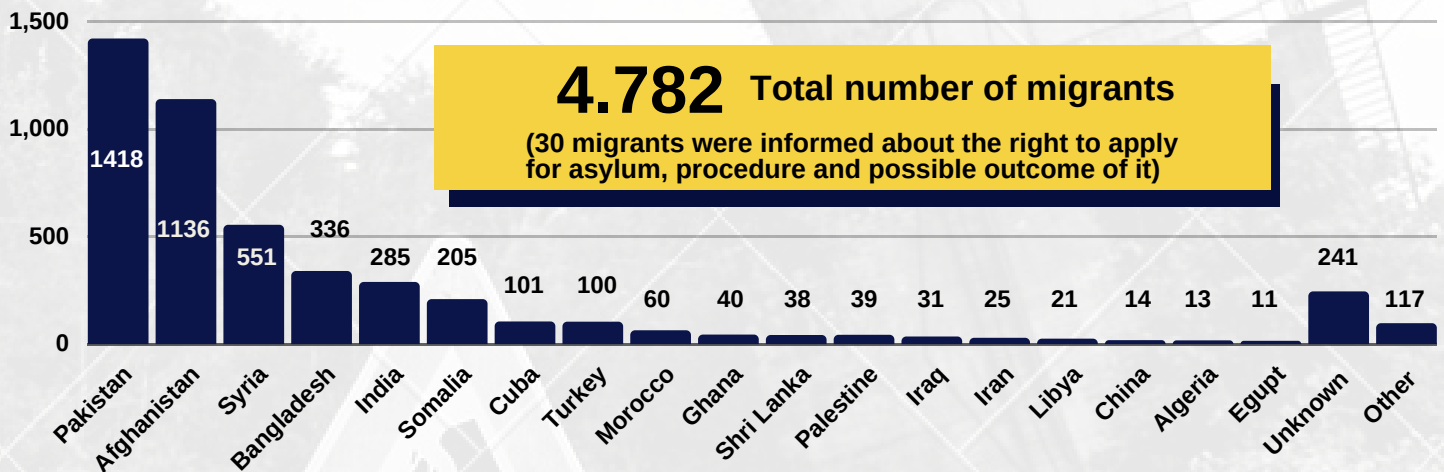

During the reporting period the field lawyer has visited the Temporary Transit Center Tabanovce from Monday to Friday during the day in compliance with the prescribed protocols for protection against virus Covid-19

Summary

There is increased number of asylum seekers during the reporting period. The border police continued with the practice of bringing migrants apprehended in smuggling incidents in order to be witnesses in criminal proceedings in the TTC Vinojug and the rest of the apprehended migrants were returned/pushed back to Greece. This center continued to serve as a place for quarantine accommodation without any legal basis for the apprehended migrants. However, the authorities stopped the practice of bringing asylum seekers to TTC Vinojug in order to be accommodated in quarantine prior to their transfer in the RC for asylum seekers.

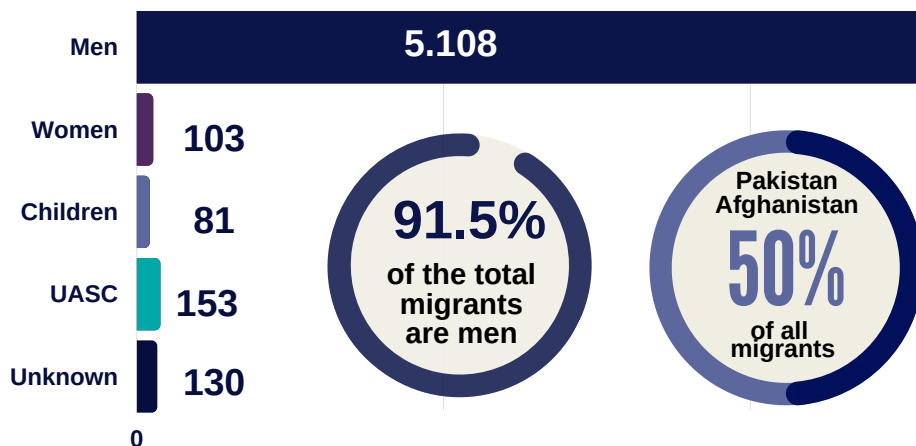

During the reporting period the field lawyer has visited the Temporary Transit Center Vinojug from Monday to Friday during the day in compliance with the prescribed protocols for protection against the virus Covid-19.
